

Kennedale High School GPA Exemption Request Form Semester II 2020-21

Student Name: _____ ID: _____ Gr: _____

Per semester, Junior and Senior students may choose to exempt up to two courses in which they are currently enrolled from their GPA calculations. Students may not exempt any core course (first four English, Science, Math, or Social Studies). Any student participating must:

- have a GPA of 2.0 or higher, however, in most cases, exemptions are most beneficial for students with GPAs above a 4.0
- comply with the expectation to complete all assignments, tests and other activities associated with the course.
- understand that the decision to take a course on GPA exempt basis cannot be changed or reversed.
- recognize that numerical grades will be calculated for the course and that these grades will be considered for eligibility according to UIL guidelines.
- realize that the numeric grades will appear on the transcript even though not calculated in to GPA.
- acknowledge that some colleges, universities and organizations such as NCAA may recalculate the GPA according to the internal process of that institution.
- realize that this form must be turned in by the deadline of **Friday, February 5, 2021 by 3:00 (no exceptions)**. **Via Google Form: [GPA Exemption Form](#)**
