Kennedale High School is a four-year public high school located in the DFW metroplex. It is the only high school within Kennedale Independent School District, which serves approx. 3,000 students. KISD covers about a seven square mile radius and includes students from Kennedale and small portions of Arlington. KHS has a long history of academic excellence and provides innovative programs, which meet the needs of our diverse population. Students at Kennedale enjoy a variety of choices for Athletics, Fine Arts, CTE Practicums, UIL Competitions, AP, Dual Credit and On Ramps courses that prepare them for the future.

GPA and COVID-19 revisions

All grades earned by the student, whether passing or failing, are calculated in the GPA with the exception of local credit courses. Due to COVID-19 and school closure, Semester II of the 2019-2020 school was **not** factored in to the GPA. Current seniors overall GPA is accumulated with five semesters (instead of six). GPA's can be found on the transcript and the next GPA run will be upon completion of Semester I, which is mid January 2021.

Class Rank

Students in the top 10% have graduated on at least the Distinguished Foundation plan with an Endorsement. Students rank is determined by their GPA.
