

Kennedale ISD Foreign Exchange Student Program Enrollment & Eligibility Guidelines

The Kennedale Independent School District's (KISD) foreign exchange program provides students from other countries the opportunity to experience American culture, to learn about the history of the United States and our government, to become more fluent in English language (written and spoken) through immersion in the Kennedale community, and to develop interpersonal skills such as self-esteem, confidence, flexibility, and cultural awareness. All foreign exchange students will attend Kennedale High School. Students are encouraged to actively participate in one or more extracurricular activities, sports, and/or student organizations to help build friendships and to enhance the cultural experience.

The following guidelines are provided to assist foreign exchange organizations, foreign exchange students, and host families in understanding the District's foreign exchange program:

I. Foreign Exchange Organizations

- a. The sponsoring foreign exchange organization is registered and approved as an accredited agency and is SEVIS (the Student Exchange and Visitor Information System) compliant.
- b. The sponsoring foreign exchange organization must be a private, not-for-profit organization.
- c. The sponsoring foreign exchange organization shall meet the Standards for Long-Term, Inbound International Student Exchange Programs of the Council on Standards for International Educational Travel (CSIET) and be listed ("Listing Status: Full") on CSIET approved list of foreign exchange organizations for the school year in which placement is requested. The CSIET Standards for Long Term, Inbound International Student Exchange Programs and the approved list may be found at www.csiet.org.
- d. Foreign exchange organizations must be able to bring the student via a J-1 Exchange Visitor Visa, since State law prohibits Kennedale ISD from issuing an I-20 form for a student to obtain an F-1 Visa. Kennedale ISD will only accept students with a J-1 Exchange Visitor Visa (**F-1 Visas will not be accepted**).
- e. Kennedale ISD has obtained a waiver from the Texas Education Agency (TEA) to limit the number of foreign exchange students to a maximum of five (5) foreign exchange students per high school per year. Foreign exchange students will only be allowed to attend Kennedale High School.

- f. Placements will be made on a first-come, first-serve basis. The foreign exchange organization representative will contact the KISD Director of Counseling Services after April 1, 2022 and prior to August 1, 2022 to inquire whether any openings are available at Kennedale High School, and if so, to begin the placement process (see KISD Foreign Exchange Student Placement Process).
- g. Waiting lists will not be maintained to hold a company's or student's request for enrollment. Only completed documentation will be accepted and only if the waiver limit has not been met.
- h. Foreign exchange students will only be accepted for one calendar year, and they must be enrolled before the first day of school in the fall semester. Foreign exchange students will not be approved for a single semester.
- i. If a foreign exchange student is returned to his/her home country or is moved to another district during the school year, no new foreign exchange student will replace the withdrawn student.

II. Host Families

- a. Host families must be residents of the Kennedale Independent School District. Host families must provide proof of residency in the form of a current (within the last 30 days) electric bill, gas bill, water bill, or lease agreement. In addition, it is strongly recommended that the host family have a student attending the Kennedale High School.
- b. Kennedale ISD may exclude families who do not comply with standards for host families in the CSEIT Standards for Long-Term, Inbound International Student Exchange Programs or do not fulfill year-long commitments from hosting foreign exchange students in future years.

III. Foreign Exchange Students

- a. The foreign exchange student must be between 16 and 18 years of age by September 1 of the school year in which he/she plans to attend Kennedale High School.
- b. The foreign exchange student must have been enrolled in high school in his or her home country the semester preceding the exchange.
- c. No exchange student who has completed the equivalent of the 12th grade in his or her home country, has received a diploma or a certificate of graduation, or is considered eligible for college or university placement will be eligible to attend Kennedale High School.
- d. Foreign exchange students who meet graduation requirements in Texas and wish to complete their studies at Kennedale High School must declare their intent to graduate upon enrollment. Once their intent to graduate has been declared, a full transcript evaluation will be conducted by their high school counselor. The student will be classified and given a schedule with the appropriate courses, thus, becoming like any other Kennedale ISD student seeking graduation.

Foreign exchange students will be awarded their certificate of attendance at their campus' graduation ceremony; however, they will not wear caps and gowns.
- g. Foreign exchange students will be classified at a level no higher than the 11th grade. Foreign exchange students may, however, be permitted to participate in senior level (12th grade) events/activities at the discretion of the campus principal or designee.
- h. Foreign exchange students will not be placed in the class ranking.
- i. Foreign exchange students, by signing the waiver of graduation, become exempt from state mandated testing (STAAR End-of-Course exams). In addition, foreign exchange students will not be afforded the opportunity to take the ACT Plan, PSAT, or ASVAB.

Participation is not conveyed with high school placement. Coaches and sponsors of extracurricular activities will be responsible for checking and obtaining proper credentials for participation in each activity.
- m. Foreign exchange students are subject to Kennedale ISD attendance and discipline regulations and policy and are expected to participate fully in their classes. Students must be in attendance at least 90 percent of days each course is offered to receive credit.
