

KHS 2020 Summer Accelerated Instruction Program

KISD Board Policy EKB states that a district shall provide each student who fails to perform satisfactorily on an EOC assessment instrument with accelerated instruction in the subject assessed by the assessment instrument. Because accelerated instruction programs are required by the State, the KHS 2020 Summer Accelerated Instruction Program is **free of charge** to students.

Although TEA has waived requirements for STAAR testing requirements for 2019-20 because of COVID-19, students in grades 9-11 who have not passed one or more STAAR EOC exams will be expected to pass these exams to meet graduation requirements in future years. The Kennedale High School 2020 Accelerated Instruction Program is designed to provide remediation and STAAR EOC test preparation for all students.

STAAR EOC test preparation and remediation/intervention courses are offered in an online format through the web-based system, Edgenuity. Students will complete accelerated instruction courses at home, and certified teachers will facilitate learning and provide general assistance to students virtually. The KHS Summer Accelerated Instruction Program will have a Google Classroom to support students, and teachers will have regular, virtual office hours (Monday through Thursday).

Kennedale High School will make every effort to contact parents of students who have not passed EOC courses and should attend the KHS 2020 Summer Accelerated Instruction Program, beginning on Wednesday, May 27, 2020.

Dates and Times:

The KHS 2020 Summer Accelerated Instruction Program is an online, four-week program from **Monday, June 1, 2020, to Thursday, June 25, 2020**. Certified teachers will be available to assist students through virtual office hours on **Mondays through Thursdays from 8:00 am to 12:00 pm**.

June 1-4	Monday - Thursday	4 Days	8:00 am-12:00 pm
June 8-11	Monday - Thursday	4 Days	8:00 am-12:00 pm
June 15-18	Monday - Thursday	4 Days	8:00 am-12:00 pm
June 22-25	Monday - Thursday	4 Days	8:00 am-12:00 pm

STAAR EOC Preparation Course Offerings (Edgenuity):

The KHS 2020 Accelerated Instruction Program includes STAAR EOC Test Preparation Courses through Edgenuity to help prepare students for retests of the following STAAR EOC Exams:

STAAR EOC PREPARATION COURSES:

- STAAR EOC Algebra I
- STAAR EOC Biology
- STAAR EOC U.S. History
- STAAR EOC English I
- STAAR EOC English II

Intervention/Remediation Course Offerings (Edgenuity):

In addition to STAAR EOC Test Preparation Courses, the KHS 2020 Accelerated Instruction Program will offer students intervention and remediation courses through Edgenuity to develop skills in reading, math, and online learning.

SUMMERBRIDGE COURSES:

Algebra Readiness (HS)
ELA Foundations (HS)
Intro to Online Learning (HS)

Intervention and remediation courses will also be offered through the online Edgenuity MyPath platform:

“Edgenuity MyPath is a supplemental program designed to meet students where they are in reading and math—and give them exactly what they need to catch up, keep up, or get ahead. Designed for students in grades 6–12, MyPath provides instruction in reading and math skills and concepts from grades 3-11. Through assessments, individualized learning paths, and detailed reports, Edgenuity MyPath provides students with age-appropriate online lessons and gives educators the ability to monitor academic progress easily. Students are assigned individualized learning paths based on skill level, not grade level, to ensure they are focusing on the skills they need to succeed. And with age-appropriate content for struggling adolescent students, instruction is engaging and respectful of older learners.”

For more information, please visit edgenuity.com/mypath.

KHS 2020 Accelerated Instruction Program Registration Link:

Students must register for the KHS 2020 Accelerated Instruction Program beginning on **Wednesday, May 27, 2020** using the following Google Form:

- **LINK TO REGISTER FOR KHS 2020 SUMMER PROGRAMS:** <https://forms.gle/8Gjy51wN8hYjfcg9>

Students and parents may contact Jared Smith, KHS Assistant Principal, at smithja@kisdtx.net to assist with enrollment in the KHS 2020 Summer Accelerated Instruction Program.

KHS 2020 Summer Accelerated Instruction Program Google Classroom:

Although courses will be completed in Edgenuity, teachers will facilitate the KHS 2020 Summer Accelerated Instruction Program through the online Google Classroom platform.

KHS 2020 Summer Accelerated Instruction Program Google Classroom Code: **inyp6ij**

Important Information:

- KHS Assistant Principal, Jared Smith, will make attempts in writing, by phone, and via email to contact parents to encourage students who did not perform satisfactorily on one or more of the STAAR EOC Exams to participate in one or more Edgenuity STAAR EOC Test Preparation Courses.

- Parents and/or students may contact Mr. Smith at (817) 563-8105 or at smithja@kisdtx.net with general questions regarding STAAR EOC results or the KHS 2020 Summer Accelerated Instruction Program.
- KHS will also make attempts to contact parents of students who show deficiencies in math, reading, and/or online skills to encourage participation in one or more Edgenuity MyPath intervention courses.
- Student participation and attendance in the KHS 2020 Accelerated Instruction Program is optional; however, students who do not attend the summer accelerated instruction program and have academic deficiencies in Math and/or Reading may be placed in KHS Algebra and Reading intervention courses during the 2020-21 school year.
- Students have the flexibility to work on course modules at home when convenient; however, teachers will be available to facilitate instruction and assist students during regular, virtual office hours from **8:00 am to 12:00 pm on Mondays through Thursdays**.
- Students are expected to have regular, daily attendance in the KHS 2020 Summer Accelerated Instruction Program until courses are complete. Teachers will take attendance daily.
- Students should check-in with teachers in the KHS 2020 Summer Accelerated Instruction Program Google Classroom between **8:00 am and 9:00 am** each day.
- Students are expected to adhere to the KISD Student Code of Conduct and KISD Acceptable Use Policy and follow rules, procedures, and guidelines established by the KHS Summer Accelerated Instruction Program teachers.
 - Students (and their parents) may be required to sign contracts outlining the rules, procedures, and guidelines of the KHS Summer Accelerated Instruction Program.
 - Students who do not follow the KISD Student Code of Conduct or who violate the KISD Acceptable Use Policy are subject to disciplinary action by KHS Summer Accelerated Instruction Program staff, teachers, and/or campus administrators.
 - Persistent misbehavior, major violations of the disciplinary rules, the KISD Student Code of Conduct, and/or the KISD Acceptable Use Policy, major disruptions of the educational environment, and/or lack of adequate progress toward course completion may result in removal from the KHS Summer Accelerated Instruction Program.
