

## About the Compact

Kennedale High School encourages parental involvement. A child's educational experience is enhanced by a team effort between parents and school personnel working together to provide the best possible experience for the child.

The purpose of the Parent-Student-School Compact is to outline how the parents, staff and students will share the responsibility for improved student achievement. This compact was revised and approved by the Kennedale High School Campus Advisory Team (CAT) on November 18, 2021.

## Mission Statement

The mission of Kennedale High School is to prepare students academically, socially, and emotionally for a successful transition from high school to post-secondary opportunities in partnership with our parents and community. We will provide a safe place where students are an important part of a community of learners and are provided with resources and opportunities necessary to increase their knowledge of the world.
