

Teachers and sponsors,

In an effort to share the variety of opportunities that are available to our students, Kennedale ISD will host our first annual **4E EXPO** and we would like you to participate!

WHO Classroom teachers, extracurricular club sponsors.

WHAT You and your students will showcase and/or demonstrate the amazing lessons being taught that result in outstanding student learning experiences! Projects such as:

- Engaging classroom lessons.
- CTE products + demonstrations.
- GT projects.
- Makerspace projects.
- Musical performances.
- Robotics demonstrations.

WHEN 6 P.M., Thursday, May 4

WHERE Kennedale High School

If you do not have a presentation or performance to share with the community and would like to be involved in this exciting event, you can volunteer to assist in the event planning and hosting.

If you would like to participate, please scan the QR code.
